ROOT BEER OF THE MONTH CLUB

6 Month Membership = \$62.99 (Save 25%)

12 Month Membership = \$116.99 (Save 30%)

The fine print:

- * **Can I choose the root beers I get?** Nope, we will be ordering extra just for you and your fellow club mates. Everyone will get the same each month. (unless supply issues cause problems)
- * **Can I cancel my subscription?** Sure, we will let you choose the equivalent number of 4 packs you have left remaining on your membership.
- * **Do you deliver?** Not at this time. But we will hold your 4-Pack until you can get it and will run out to your car if you prefer curbside pickup.
- * **When can I come get my 4-Pack?** We shoot for the first week of the month after your subscription begins. New members may receive an alternate variety if they signed up at the end of the previous month (that is, after orders are submitted)
- * **How will you keep track of the sodas I've tried and/or picked up?** You will get a super special membership card which we will check off each month. We will also keep track of your soda purchases in our computer system and can tell you what you've tried if you ever want to know!
- * **Do I have to come every month? What if I forget a month?** You can forget or skip every other month. We need you to come in at least every 60 days. 4 Packs left longer than 60 days will be forfeited and re-introduced to the gen pop.
